

” You must die trying
to achieve your
(righteous) goals- in
the name of Allah-
and by His Will ”

“

Remote working;

Carry out the work/ tasks that Allah/ God has assigned you

Explanation

Allah says in the Quran, Chapter 51, Adhdhariat Verse 56:

“I did not create mankind and Jinn except to Worship me”

Imaam Muhammad Ibn ‘Abdul Wahhaab says in the beginning of his book(‘Usool Thalaatha- The 3 Fundamental Principles)

“Know, May Allah have mercy upon you, that it is obligatory to have knowledge of 4 matters:

Knowledge”

So, to worship Allah alone, we must know Allah, and to know Allah, we must seek knowledge.

May Allah guide us all.

”

The 100/0 rule
For success in this world and the hereafter.

Explanation

Allah says in the Qur'aan
"Whoever seeks the reward of this life(dunia), we give it to them, and whoever seeks the reward of the hereafter, we give it to them..."

So, the 100/0 rule which I coined is to always be in the worship of Allah, whether you are sleeping, working, relaxing, in a group etc. Everything you do by your intention to seek the face of Allah becomes worship (everything that Allah loves)

For example, before you sleep, make the necessary supplications, and intend the face of Allah, such that you intend to rejuvenate yourself to carry out more ibaaadah(worship) when you wake up(if you wake up)

Allah says in the Quran
"Verily my prayer, sacrifice, my living and my dying is for (Allah), The Rabb(Lord) of the 'alameen(mankind, jinn and all that exists)"

Be a spiritual
escapist; don't be
stuck where you
don't want to be-
by the will of
Allah

“The more barriers
that are in your way,
the more Allah is
meaning to elevate
your status, in both
this world and the
hereafter- only by His
will.”
